**Re: *Malawi Communications Regulatory Authority v. Precisely Software Incorporated*,  
Case No. 3:25-cv-01574-GC-JBD**

Dear Judge Day:

This firm represents respondent Precisely Software Incorporated ("Precisely") in the above-referenced matter. We write to address the Court's March 18, 2025 text order [Dkt. 8] requiring Precisely to state its position on whether the continued sealing of exhibits attached to Petitioner's Petition to Confirm the Arbitration Award is necessary.

Precisely was not a party to the underlying arbitration and had no knowledge of the agreements attached as exhibits to the Petition until the Petition was served on it. Accordingly, just as Precisely had no interest in the underlying arbitration, it has no interest in the confidentiality and sealing of that arbitration record.

Respectfully,

/s/ Angelo A. Stio III
